My Current Magick Spell

Manifesting works best when it comes from an energy of abundance and Gratitude. To get into a grateful state, think of things you are thankful for. Name at least five.

Say this, with your hand on your heart, and feel into the Gratitude.

Daily Incantation:

1. Start with
Gratitude

I am grateful for _____

Daily Incantation:

2. State your
Commitment

**"I, _____, commit to remaining open and believing that the Universe is
guiding me and assisting me in moving toward my best life."**

<p>3. Connect to the Universe</p>	<p>Visualize your connection to the Universe through a column of light coming down from above, entering your crown and flowing through your entire being. Visualize yourself connected to the Earth below, with roots of light attaching you to its core.</p> <p>Daily Incantation:</p> <p>"Thank you, Universe (or God, Goddess, Source, etc.), for guiding me toward my best life. Thank You."</p> <p>When you say this, you affirm to the Universe that you are open and ready to learn and receive. The right teachers and tools will come to you, as if by Magick.</p>	
<p>4. Affirmations</p>	<p>List the things you want in your life. Imagine you already have them. Write them down in the present tense.</p> <p>Daily Incantations:</p> <p>I am _____</p> <p>_____.</p> <p>I have _____</p> <p>_____.</p> <p>I do _____</p> <p>_____.</p> <p>I feel _____</p> <p>_____.</p> <p>I believe _____</p> <p>_____.</p>	<p>Some examples could be:</p> <p>Long- or short-term goals.</p> <p>Things that bring you joy, that you want to do more often.</p> <p>Attributes you would like to foster in yourself.</p> <p>Something you would like to change in yourself or your life.</p> <p>Material things you would like to manifest.</p>

As you say your daily incantations, visualize sending the energy of each one out into the Universe, like waves radiating outward from you. Use the energy from the Universe, transmuting and alchemizing it into what you will. **Watch how your life changes!**
